This musical event features the changes of the cantonese music and opera in the last 100 years when it was migrated with the pioneers mainly from the Hoishan province of China. The original style of music, musical instrument and singing performances has evolved with time but also preserved the cantonese culture. 這次音樂會主要是表達廣東音樂及粵曲過去100年的變遷。在加拿大廣東音樂粵劇及粵曲是跟隨移民開荒者過來的。也是從台山開始的。原創音樂, 樂器以及唱法都跟時代而改變, 但亦保留著廣東的文化及風味。
